Department : Bachelor is Computer Applications

College : Sasurie college of Arts &

Science,Vijayamangalam/ **Bharathiyar University**

Project Tittle

"Sanjay Digital Portfolio – A Web-based Interactive Profile using HTML, CSS & JavaScript"

AGENDA

- 1) Problem statement
- 2) Project overview
- 3) End users
- 4) Tools and technology
- 5) Portfolio design and layout
- 6) Features and functionality
- 7) Results and screen shot
- 8) Conclusion

PROBLEM STATEMENT

Resumes are static and lack interactivity.

Students often struggle to highlight skills & projects dynamically.

Recruiters prefer a modern, digital portfolio that is mobile-friendly, interactive, and easy to access online.

Project Overview

My project is a personal digital portfolio website built using HTML, CSS, and JavaScript. It acts as a one-stop professional identity, showcasing: ☒ Academic details ☒ Projects & certifications ☒ Skills & technical strengths ☒ Contact information & resume download

End User

Students – to showcase work

Faculty/Reviewers – for project evaluation

Recruiters/HR – for hiring assessments

Developers & Peers – for collaboration & inspiration

Tools & Technologies

 Frontend: HTML5, CSS3, JavaScript (Vanilla JS)

 Styling & Effects: CSS Grid, Flexbox, Animations, Media Queries

 Enhancements: JavaScript DOM manipulation, Form validation

 Version Control: GitHub

 Design Mockups: Canva / Figma

Portfolio Design & Layout

LandingPage: Professional intro with animated text

About Section: Education, career goals, personal profile

Skills Section: Progress bars & icons for HTML, CSS, JS

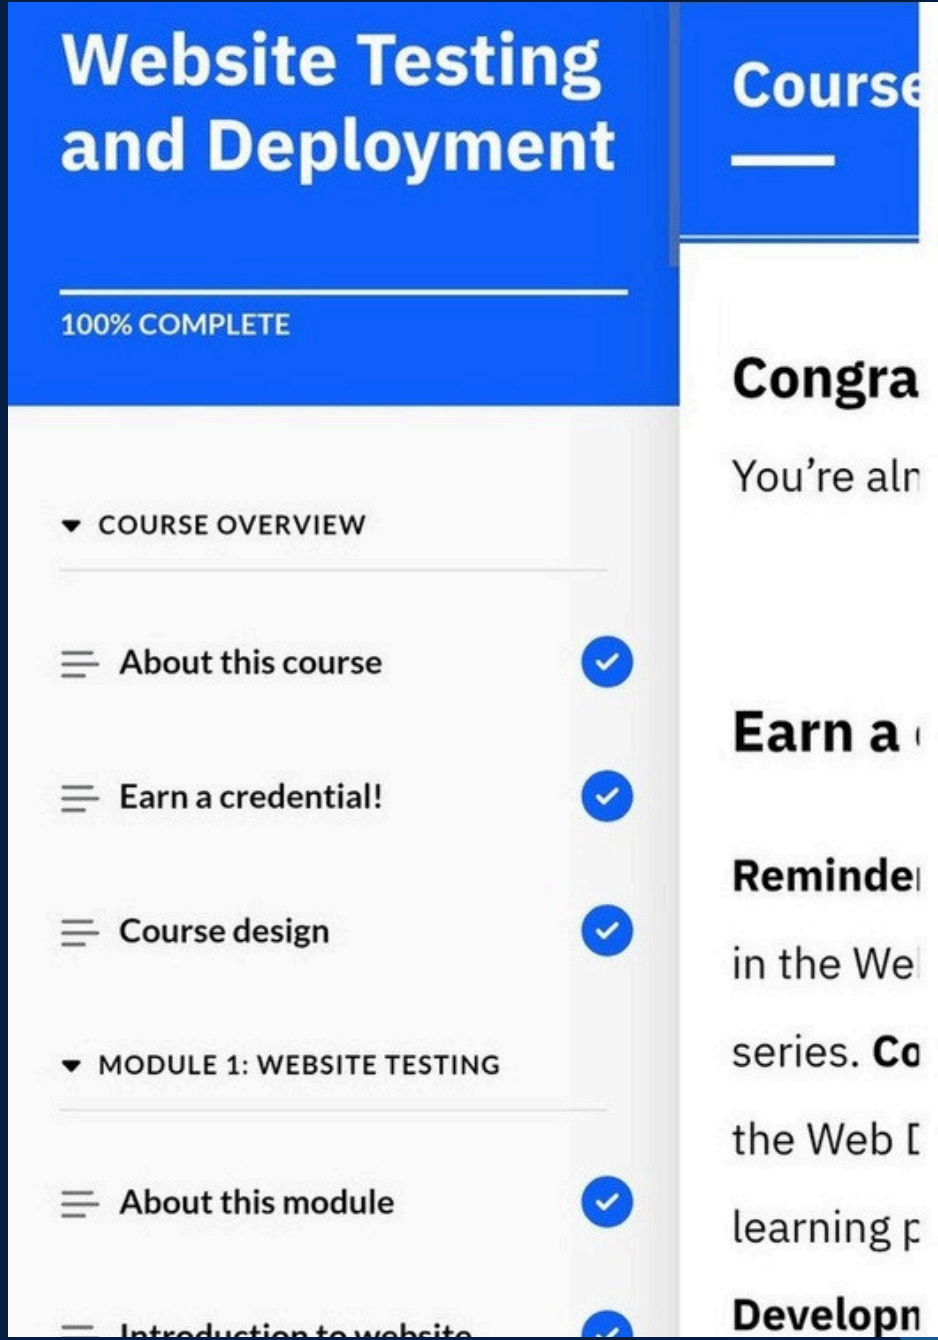

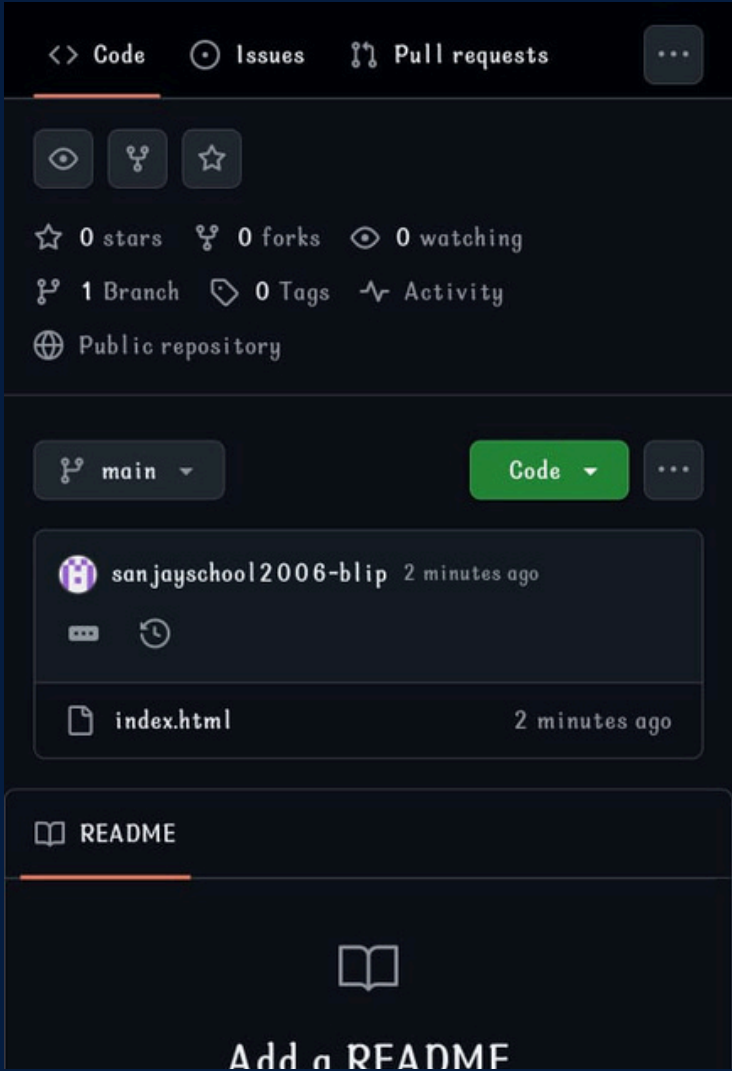

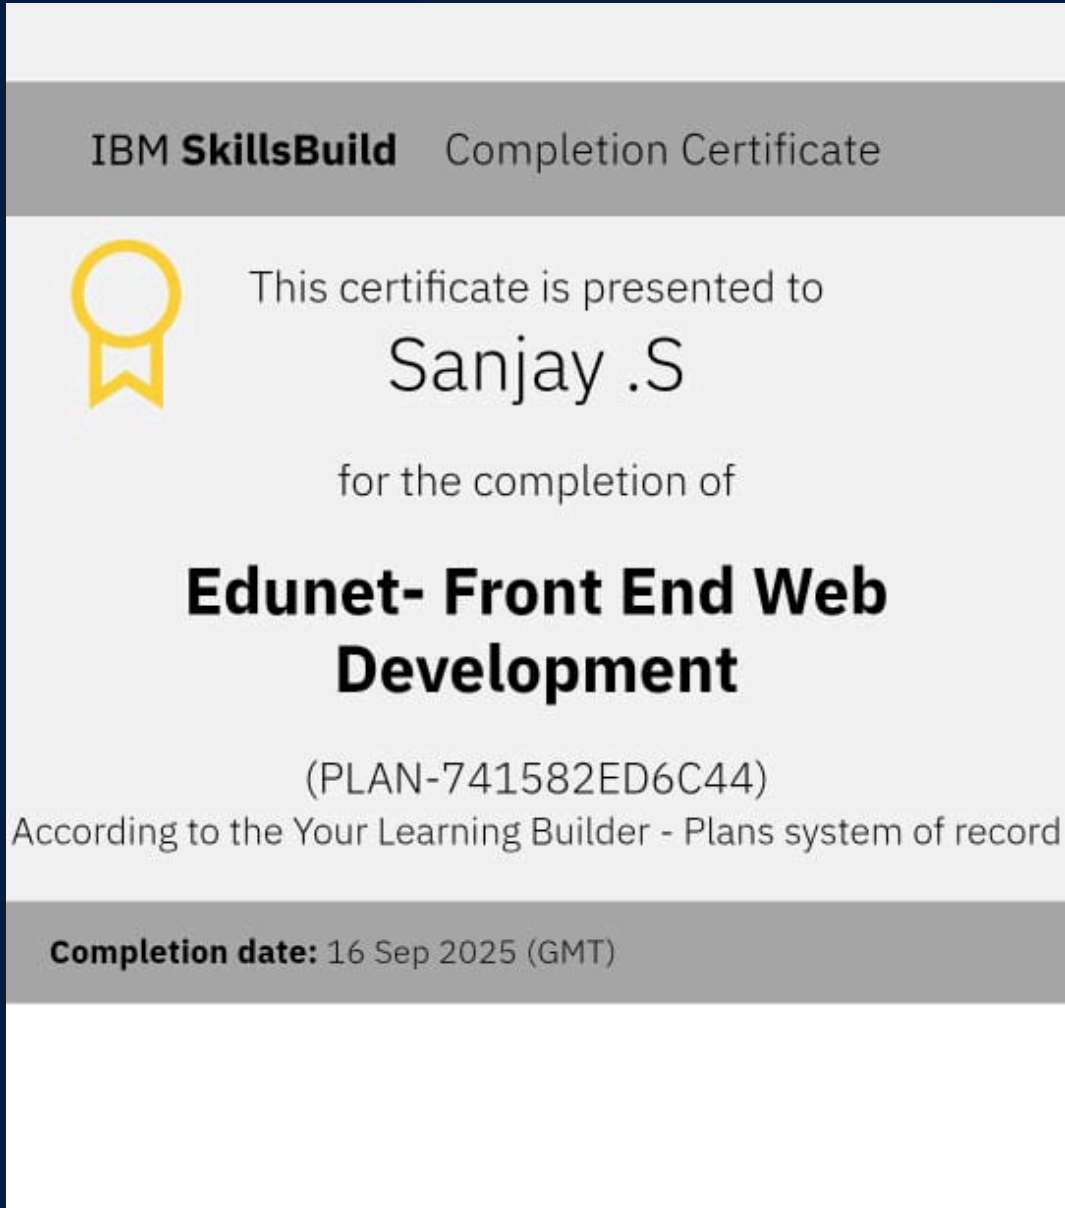

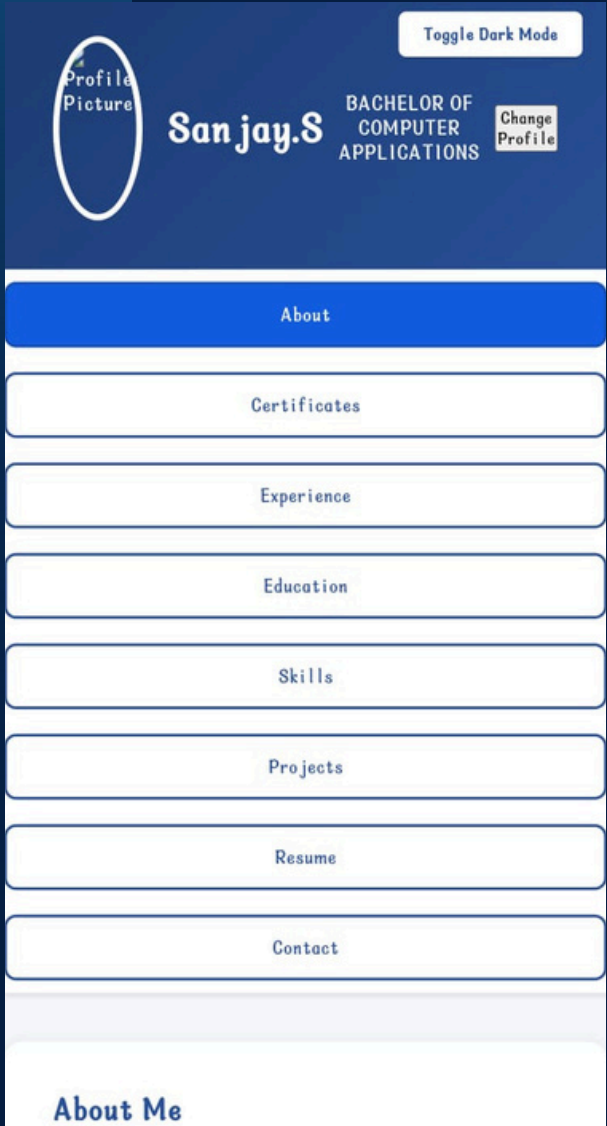

Projects Section: Cards with hover effects & GitHub links

Contact Section: Interactive form with validation

Features & Functionality

- ✦ Fully responsive design (works on mobile & desktop)
- ✦ Smooth CSS animations & hover effects
- ✦ JavaScript-powered interactive navigation
- ✦ Resume download option in PDF format
- ✦ LiveGitHub integration for project showcase

Results & Screenshots

Conclusion

The Sanjay digital portfolio is a modern web solution for self-presentation. It demonstrates my practical knowledge of HTML, CSS, and JavaScript while helping me showcase my academic journey, skills, and projects in an interactive and professional format
